Please Ensure

- Your child/children arrive at school dressed in their bathers. When the swimming lesson is finished, children will change into their school uniform at the pool.
- Please ensure your child takes a towel, goggles (optional) school uniform and dry underwear in a separate plastic bag each day to swimming.
- Students wear shoes that are easy to take on and off for the pool. Students may change into other shoes when they return to school.
- Clothes and belongings are labelled.
- Any students with asthma require an up to date 'Medical Action Plan'. Please see the front office to ensure all information is correct. Students will not be able to swim without an up to date plan and they must bring their own puffer and spacer.

Kind Regards
