

Science and Book Week

Friday. 16 August 2019

Space and Super Powers

Families are invited to join us for fun filled activities to celebrate Science and Book week. The day will host a book week parade, family picnic, interactive science & literacy exhibition and an opportunity to gaze at the stars through telescopes.

2:00 pm

Book Week Parade

5:30 to 7:30 pm

Stargazing - Family Picnic

Dobsonian Telescopes

Interactive Science & Literacy Exhibition

Robot Obstacle Course

VR Experience

Photo Booth

Solar System Quiz & Competition

Reading Corner

P&C Sausage Sizzle

Stargazing is weather dependent. In case of inclement weather the stargazing telescopes will not be operating but other events will continue.
