OT @ ECU may be able to help your child

At the beginning of each school year, Occupational Therapy at ECU run groups at the Joondalup Community Clinical School located on site at Joondalup Health Campus. These student run groups are currently **free of charge** and aim to improve school participation and performance for children who are in the early years of primary school.

PROGRAM STRUCTURE

Your child will be offered a screening assessment in late January 2022. This assessment will be conducted by experienced paediatric occupational therapists and lecturers. If required, your child will be offered intervention in a group setting during term 1 or term 2, 2022.

The clinic usually offers the following groups:

- 1) **Ready, Steady, School** is a school readiness group for kindy and pre-primary students. Typically these groups run once a week for five weeks from 9:30-10:30am.
- 2) **Ready, Steady, Succeed** is a group that aims to develop essential school skills for children in years 1, 2 and 3. Typically these groups run once a week for five weeks from 2:30-3:30pm.

Each group runs for **1 hour per week for 5 weeks**.

HELPING ECU STUDENTS TO LEARN
